<p><b>CHALLENGE THE GIFTED &amp; TALENTED AND SUPPORT THOSE WITH SENs.</b></p> <p><b>AND</b></p> <p><b>INCREASE ACCESS TO COMPETITIVE ACTIVITIES.</b></p> <p><b>£1765.00</b></p>	<p>The school have ran a variety of intra school competitions to enable the opportunity to compete for all.</p> <p>We have attended a DELTA Sport competition and several School Sport Partnership competitions.</p> <p>This encourages fair play and teamwork whilst teaching children rules, skills and tactics of specific sports.</p>	<p>The implementation of the intra school competition ensure that ALL children get to participate in competitive sport. In the previous year a smaller proportion of children would attend.</p> <p>Banding the children in ability groups has ensured all children succeed and are not despondent when facing better teams. This has impacted on participation and increased attendance to Extra-Curricular Activities.</p> <p>Our results in competitions have gradually improved which has created a positive attitude with the children.</p> <p>Specialist sessions have been put on for those with SENs to ensure they have the same opportunities in life.</p>	<p>Run an Intra School Competition each Half Term.</p> <p>Attend newly formed DELTA sport competitions for greater participation (1 Per Term).</p> <p>Run curricular lessons in line with competitions so our children have greater chance of success.</p> <p>Continue to invest in an 'Inspire to Compete' lunchtime club designed to prepare our pupils for competition.</p> <p>Identify local Sport Clubs to provide pathways for children to engage in the community beyond the school day. This will be linked in with Extra Curricular Activities.</p>
