

## End of year newsletter

We are only two days away from breaking up for the summer holidays; it is hard to believe that another year has flown by! It has been a terrific year for so many reasons and all the staff at Macaulay are so proud of what the children have achieved this academic year. We finish the year with some of the best Y6 SATs results we have ever achieved, as well as phonics and MTC scores higher than the national average...what an achievement for all those children! I want to take this opportunity to thank all parents and carers for their support throughout the year in achieving our shared goal of ensuring the children of Macaulay receive the best education possible. I also want to publicly thank all the staff for their hard work over the past year; we are so lucky to have a staff that work incredibly hard and care about every child at Macaulay.

### Jumpers

Over the year, we have collected a huge number of jumpers in lost property – these are still unclaimed. On Wednesday morning, there will be jumpers left on tables in both KS1 and KS2 playgrounds. They have been washed and could be worn again. If you would like to collect a jumper for your child next year, please feel free to help yourself and make use of so many jumpers going spare.

### Support during the holidays

Should your child need any support during the holidays, we would encourage you to contact one for the following places as they will be able to support you.

- *Contact the Police: 101/999*
- *Childline: 0800 1111*
- *Samaritans: 116 123*
- *Contact the Integrated Front Door at Children Services: 01472 326292 option 2 option 2 (9am-5pm)*
- *Social Services emergency duty team: 01472 326292 option 2 option 2 (5-9pm)*
- *CAMHS crisis response team: 01472 256256 (24 hour)*

We will be closed for the whole summer break, however enquiries/questions can still be sent to the office via email at [info@mpacademy.org.uk](mailto:info@mpacademy.org.uk); these will be picked up following our return in September. Other useful contacts can be found via our school website, as well as NE Lincs safeguarding website.

### Uniform

A reminder that full school uniform is expected every day, this includes **black school shoes**. Staff will remind children and parents about uniform expectations throughout the year. If you are struggling to provide the correct uniform for your child, then please speak to a member of staff and we will try and support you in any way we can. Please remember that a plain t-shirt and shorts/tracksuit bottoms are needed for PE. In September, we will support with ensuring names are in children's clothing as we always have lots of jumpers without names which get lost very quickly – having names in clothing means we are able to get them back to children as soon as possible.

## **PE Kit**

From September, we have decided to allow children to attend school in their PE kit on their allocated day. We want to maximise the time children spend actively doing PE and children being ready straight away will help achieve this. In September, you will be made aware of what day your child has PE. Please remember it needs to be school PE kit – there should be not football shirts etc.

## **Attendance**

We want to ensure children are at school as much as possible to receive the fantastic educational opportunities we provide at Macaulay. The first few weeks in school are so important to ensure children feel settled and happy in school. At the end of September, for those with 100% attendance, we will be inviting the children to take part in some great activities – remember, you need to be here to get those rewards!

## **Back to school**

A reminder that we will be back at school on **Thursday 4<sup>th</sup> September 2025**. All children should know which classroom they are in; if you are unsure, please refer to the transition map or catch a member of staff in the playground on the first day back.

All that is left to say is that I hope you all have a fantastic summer. The children deserve a rest and time to spend with family and friends. Thank you again for the last year and we look forward to welcoming the children back in September.
