Details:

Time Trap Museum Adventure

Get ready to step into a time machine! As you go down into the old prison under Grimsby's Town Hall, you'll find twisting tunnels and spooky cells that tell the town's amazing stories. You'll meet cheeky smugglers sneaking their goods, brave sailors heading out to sea, and the busy people of Victorian Grimsby. You might even hear a few funny tales and strange legends that make the past feel magical and mysterious.

Sound Creators Workshop

After the adventure, you'll become sound makers! Using your voices, instruments, sound bites and everyday objects, you'll create noises to match what you saw – like rattling keys, creaking ships, or market traders shouting out their wares. Together, you'll build your own soundtrack that brings history to life.
