

Welcome to Year 2

We are so excited for the year ahead and have lots of exciting learning opportunities and experiences planned for your child this year. If you have any questions about your child's learning, please speak to your child's class teacher during drop off/pick up. Thank you for your continued support!

Miss Hadfield 😊 and Miss Armitage 😊

Maths

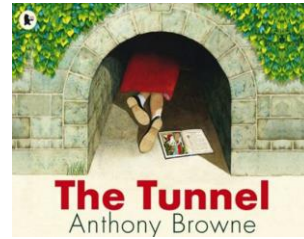

In maths this half term we will be concentrating on place value and addition. This will include learning all about numbers and what each digit within a number means.

We will be using the language...

ones, tens, hundreds, greater than, less than, partitioning.

Reading

Our reading book this term is *The Tunnel* by Anthony Browne. The children will develop a range of reading skills including prediction, retrieval and inference.

Writing

Our talk for writing text for this half term is Meerkat Mail. We will be writing our own journey stories.

Science

In science we will be learning about everyday materials and their uses. This will build upon your child's learning from Year 1.

Reading Enhanced Curriculum

In our Geography and Art lessons we will be answering the question-

What makes London special compared to other places in the UK?

We will be looking at the world and learning about the different continents and oceans before moving on to look at the UK and its capital cities.

We will then focus on London and its landmarks that make it a special place.

PE

Your child's PE day will be-

2EH (Miss Hadfield)- Tuesday

2KA (Miss Armitage)- Monday

Please ensure your child has plain black shorts, joggers or leggings and a plain white t-shirt with appropriate footwear.

All jewellery (including earrings) will need to be removed for PE.
